

# EAST OF THE RIVER PARK MASTER PLAN

The East of the River Park Master Plan is a community engaged design and planning process to create master plans for all the neighborhood parks in Minneapolis East of the Mississippi River.

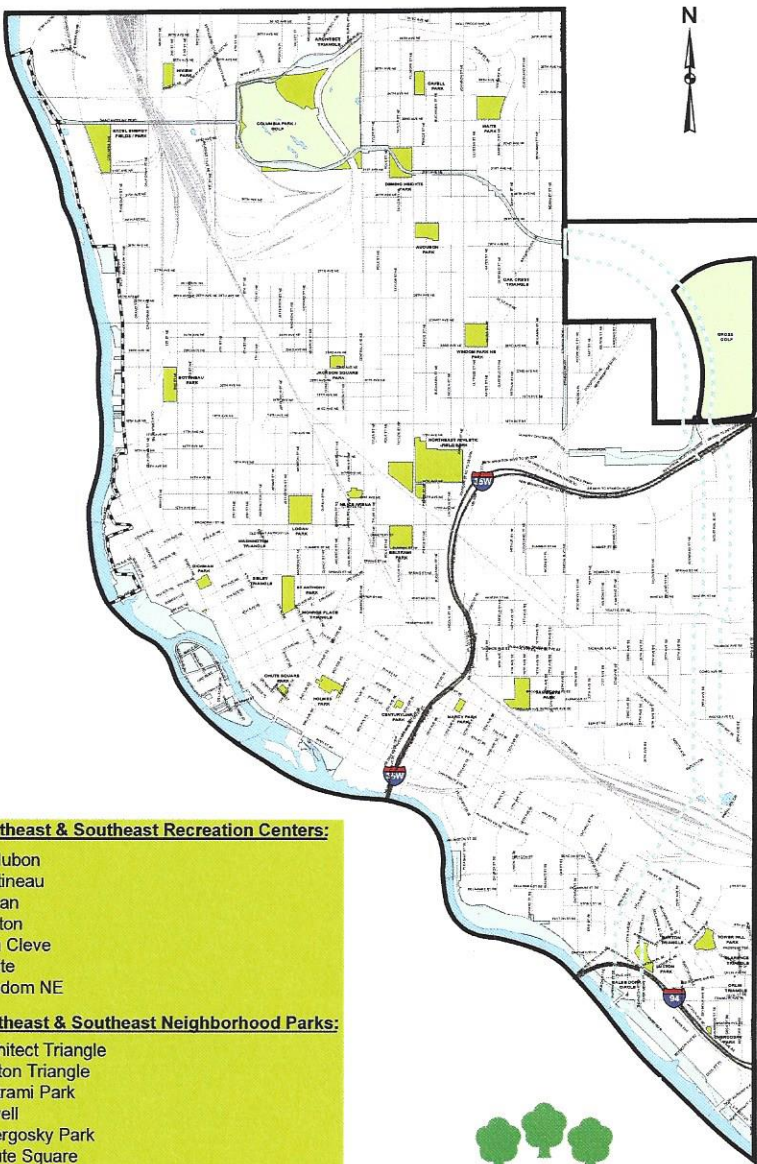

## The plan will:

- Take a complete look at **all outdoor park assets**: fields, playgrounds, paths, etc. (Recreation center buildings are not included in this Master Plan. They are part of RecQuest.)
- Create **improvement plans** for each neighborhood park
- **Guide decisions on capital improvements**, how to spend NPP20 funding, land acquisition, and development of new parks.
- Set a vision for **operations, management, and improvements**
- Set **priorities** and estimate **budgets**
- Will take into account existing MPRB activity plans, system planning, and other city and community policies and plans.

## How to get involved:

We need your ideas, dreams, and concerns!

1. Apply to serve on the Community Advisory Committee (applications open until late August 2017)
2. Consider attending a Community Advisory Committee (CAC) meeting. Meetings are open to the public.
3. Sign up for project updates by entering your email on the project webpage.
4. Check back regularly with the project webpage to find out the latest on how to stay involved.
5. Look for us at the parks and invite us to your community events to have a conversation about the future of parks in Minneapolis.

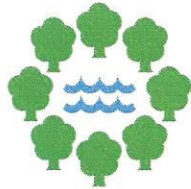

### Northeast & Southeast Recreation Centers:

Audubon  
Bottineau  
Logan  
Luxton  
Van Cleve  
Waite  
Windom NE

### Northeast & Southeast Neighborhood Parks:

Architect Triangle  
Barton Triangle  
Beltrami Park  
Cavell  
Chergosky Park  
Chute Square  
Clarence Triangle
