Call for Candidates: We Want YOU!

There's an election coming up, and we aren't referring to the one on Nov. 3 (although please do vote then!). We're talking about the annual election for members of your Board of Directors right here in the Windom Park neighborhood. Each year about half the seats are up for election. If you are an 18-years-of-age-or-over resident, property owner or business representative within the neighborhood's boundaries (see map on reverse side), and have attended at least one of our meetings between November 2019 and October 2020 virtually or in person, you are eligible to run for a seat on the board. You'll help direct the future of your neighborhood, weigh in on key issues, decide on financial allocations, make projects and programs become reality in our community, gain resume-building leadership experience, get to know your neighbors, and much more. We welcome nominations and self-nominations now or from the floor at our Annual Meeting on Tuesday, Nov. 17. Please do not hesitate to contact us with questions or nominations.

Join us to find out more! For updates on the meeting agenda, check our web site (www.windompark.org), follow us on  Twitter, or subscribe to our e-blast list by sending an email to info@windompark.org
