Raingardens Are Coming

Heads up - We plan to fund more raingardens this year.

Stay in the loop by attending our monthly Neighborhood

Meetings and signing up for our e-blast emails.

Need Help? We're Here!

Our physical office is temporarily closed due to the pandemic, but we are still working for you and our neighborhood. Home fix-up loans, commercial rehab loans, home security rebates, Home Energy Squad visits, project planning and implementation, and regular meetings through Zoom are still happening. You and the Legislature: Join State Sen. Kari Dziedzic for a look at how the latest work at the Capitol could impact you, our city and our state.
